21 MC 102

Dear Judge Hellerstein,

On February 10, 2012, this office filed a copy of Gregory J. Cannata's Declaration in Support of the Plaintiff's Motion in the above-referenced matter on ECF. This motion was made to restore the plaintiff's case or vacate the default.

One of the exhibits to this declaration, Exhibit 4, is a copy of plaintiff's database, which includes her date of birth and social security number. We inadvertently failed to redact this information. We have contacted the ECF Help Desk and they have placed a temporary seal on this exhibit but cannot make the seal permanent or allow us to file a redacted version without an order by your Honor to do so.

Therefore, we request that the Court order Exhibit 4 of Gregory J. Cannata's Declaration in Support of the Motion to be sealed and to grant us leave to re-file the declaration with a properly redacted Exhibit 4.

Respectfully,

  
Gregory J. Cannata
